

2010 Area 19 *Freshman Connection* Registration Form

Freshman Connection is a CPS Summer Program that positions students for a successful transition from elementary school to high school by giving rising 9th graders an opportunity to:

- Meet and connect with high school peers, teachers and school staff
- Understand and prepare for the rigor of high school coursework and expectations
- Consider high school, college and career next steps
- Have a fun summer experience in their new high school environment!

Participating students will complete academic sessions (i.e., math, literacy and counseling) and engage in enrichment activities (e.g., field trips, team building) hosted by the high school that they are projected to attend. All students are expected to participate in the full 3-week program.
